Summer Intervention Programs 2027
December 7th – January 29th

Individual or Paired Holiday Intervention (K-12)

Educational Intervention

Customised programs to meet your child's individual needs

PosAbility offers educational intervention for children who are significantly behind their peers in two learning areas:

Literacy

- Reading
- Spelling
- Written Expression
- Comprehension
- Study Skills

Numeracy

- Number Sense
- Calculation skills and fact fluency
- Measurement
- Problem Solving

We offer three educational individual services in the holiday period. Within each service, we personalise and customise a program to meet your child's needs. All clients new to PosAbility (or those who haven't attended for 6 months or more) will need to commence with a placement assessment to help us design a customised program.

Targeted Intervention

- Placement test + 8 to 20 hours intervention throughout the holidays
- One Learning Area (Literacy or Numeracy) for 8+ sessions
- Two Learning Areas (Literacy and Numeracy) available for 10+ sessions
- Combined program designed for your child
- Placement report, goals and progress review provided at conclusion of program
- In person at clinic, online, or a combination
- Program Manager to design and oversee individual plan and program

Get Started with Intervention

- Placement test + 4-7 hours in one learning area
- Placement test and program set up with goals
- Placement report with recommendations for continued intervention at home
- Sessions can be held in person at clinic, online, or a combination
- Program Manager to design and oversee individual plan and program

Booster Sessions (existing clients)

- For existing clients, in the same area of learning as term time
- May be with your regular consultant or another consultant
- Continuation of your Term Program
- Any number of sessions allowed

Allied Health Intervention

Customised programs to meet your child's individual needs

PosAbility offers speech pathology and occupational therapy intervention for children who are significantly behind their peers in two learning areas:

Speech Pathology

- Speech and articulation
- Receptive and expressive language skills
- Social communication
- Literacy

Occupational Therapy

- School Readiness
- Handwriting
- Fine Motor Skills
- Executive Functioning
- Support for tasks of daily living

How to Get Started (New Clients)

1. Register on our Portal (Client Bookings) and complete the Appointment Request form
2. We will then send you the Holiday Booking form, on which you can select the group and nominate your preferences and availability.
3. For some clients, we may suggest starting with the placement test before confirming a program, to ensure we book an appropriate program with suitable consultants
4. Once the schedule is proposed, we'll ask you to complete the Holiday Program Engagement Form and pay a non-refundable $250 deposit to secure the schedule.
5. Upfront payment for the holiday programs is due prior to commencement of the program.

Booking (Existing or Returning Clients)

1. Email admin@posability.com.au
2. For <6 sessions, request dates and times through email and we will send a draft roster.
3. For group programs or 6 or more individual sessions, we will email you a booking form to nominate your preferences and availability.
4. Upfront payment for the holiday programs is due prior to commencement of the program.

Bookings, Payments & Cancellations

- Any times offered are reserved for 48 hours only.
- A $250 non-refundable deposit is required to confirm your schedule and program.
- An invoice for the remainder of the program fee is payable one week prior to the holidays commencing.
- No refunds are given once the holidays have begun. Rescheduling may occur prior to the holidays commencing.
- A minimum of 24 hours' notice is required for cancellations for credits to be applied.
- Cancellations: call our office on 9420 4101 during business hours, or email admin@posability.com.au outside these hours.

What Families Say About PosAbility

“I am really happy that Mum and Dad sent me to PosAbility because I would probably be at the same level as I was. I didn’t like school because it was so hard. I remember starting at PosAbility and I couldn’t read at all. Now I am in Year 6, I can now do all the reading, writing and maths in class; whereas before I couldn’t do any work in class and I would tune out.”

— Johnny, Year 6

“The PosAbility team has been such a huge part of E's learning journey right back to the intensive intervention program when she was in Year 2! She credits you all with teaching her how to read and helping her get the fundamentals of writing and maths under her belt. The team have helped and supported her way beyond the academic aspects of her learning — from creating a welcoming and safe place for her to learn, to helping her understand how her brain works and the confidence to advocate for herself.”

— Parent of a PosAbility client
